

Windstand 34, plastic base

01-12-2022

Windstand 34 is a real classic that helps you get your messages out and quickly change messages according to current needs. With its resilient construction, it is also suitable for windy, exposed outdoor environments. Profile width 34 mm. Double-sided with strong plastic foot that is filled with water or sand to stand stably. The foot's built-in wheels make it easy to move it or take it in overnight.

Image size 50 x 70 cm and 70 x 100 cm

Weight 11,5 kg and 14 kg

Single / Double Sided Double sided

Material Aluminum profiles, Apet plastic cover and styrene back plate. Plastic base
