

# Windstand 34, steel tube base and top sign

01-12-2022

Windstand 34 is a real classic that helps you get your messages out and quickly change messages according to current needs. With its resilient construction, it is also suitable for windy, exposed outdoor environments. Profile width 34 mm. Double-sided, steel foot. Built-in top sign with space for logo or other decal.

**Image size** 50 x 70 cm and 70 x 100 cm

**Dimensions top sign** 50 x 20 cm and 70 x 20 cm

**Weight** 8 kg and 12 kg

**Single / Double Sided** Double sided

**Material** Aluminum profiles, Apet plastic cover and styrene back plate. Steel tube base

**Accessories** Bolts for feet and replacement top signs

**Operation** Open the snap files that hold the poster and plastic cover in place, lift out the plastic and change the poster. Then close the snap profiles so that the poster and plastic are firmly seated.

**Poster recommendation** Paper posters adapted for outdoor use (preferably edge laminated)
