

Windstand 34 plastic base and top sign

01-12-2022

Windstand34 is a real classic that helps you get your messages out and quickly change messages according to current needs. With its resilient construction, it is also suitable for windy, exposed outdoor environments. Profile width 34 mm. Double-sided with strong plastic foot that is filled with water or sand to stand stably. The foot's built-in wheels make it easy to move the street speaker or take it in overnight. The built-in top sign has space for a logo or other sticker
